

12 HERBAL EXTRACTS TEA
Natural RELAXATION

Available: 300 ml bottle with measuring cup
or Liquid Stick Pack

Herbal tea takes care of you in a natural, non-aggressive way and in synergy with the rhythms of your body. Based on 12 herbs in which scientific innovation, nature, technology and tradition come together in an effective, ready-to-use formulation, simply by **dissolving the contents in a cup of hot water**. Procemsa Group developed a new phytotherapeutic herbal formulation in liquid form ready to dilute. Safe and effective, **it is based on a 12 herbs mix**, which, in everyday life can be of great benefit, to those who feel a sense of anxiety and worry, lack of sleep, lose their temper and positivity facing small inconveniences, becoming apprehensive and distressed.

The titrated extracts of Hawthorn, Chamomile, Passionflower, Valerian, Escholtzia, Saffron, Linden, Lemon balm and Hop, wisely dosed, play an effective action in relieving stress, anxiety states, restlessness, and nervousness, contributing to relaxation, mental well-being and improvement of mood. **Artichoke, Ginger and Worm wood** are useful to support the difficult digestive function, due to physical and emotional tension linked to anxiety states. Naturally sweetened with stevia, there is no added sugars, no dyes, no artificial flavors and is gluten and naturally lactose free.

DIRECTIONS

It is recommended to take 20 ml diluted in 250 ml of hot water. It is recommended to take for 15 days, to be repeated as needed. It is recommended in the afternoon to enjoy a relaxing break or in the evening before bedtime as a warm herbal tea infusion that helps to relax and facilitates calm and physiological sleep without night waking up.
