GROUP

Skin Rebalance
& Moisturizing

pro&pre
BIOTIC skin care

30 ml Tube

Innovative **OLEO SERUM** based on **PROBIOTIC & PREBIOTIC** mix formulated with Probiotics tyndalized complex (L. Plantarum, L. Casei, L. Acidophilus and S.Thermophilus). This original mix can interact with the host's skin microbiome and modulate the **rebalancing protective response**. The **Prebiotic activity** is carried out by the **Fructooligosaccharides**, Fiber fraction of D-fructose polymeric residues, **useful for a stable and balanced microbiome**.

The formula is enriched with natural ingredients such as **Superior Shea butter** that delivers softening and smoothing benefits. Calendula officinalis flower extract useful in healing wounds, **relieving itching and skin discomfort**.

The natural oleo serum offers **immediate moisturizing**, soothing and restorative action with a wonderful skin feel and a special smooth **oil-serum texture**.

DIRECTIONS

Apply the product onto a perfectly clean and dry skin, massaging delicately until completely absorbed. The narrow tube delivers a perfect dose on the areas.

USEFUL FOR:

- 1 Strong and healthy skin
- 2 Balanced microbiome
- 3 Special Oil-Serum texture
